PRESS BOX

Due to lack of space, accommodations in the press box will be furnished only to representatives of Pittsburgh papers, and from metropolitan papers filing for Sunday editions, press services, Pittsburgh radio and TV sports commentators, and scouts from schools playing either Pitt or its opponent. Requests should be made in advance, indicating whether or not Western Union services will be needed during or after the game. Those coming to the press box, to avoid climbing hills, should have cabs take them to Gate #23. This is located behind Pennsylvania Hall of the School of Medicine.

PRESS COMPLIMENTARIES

The University extends the privileges of press complimentary tickets to all daily publications in the area. These will be limited to two to each paper. Applications must be received by the Monday preceding the game and the seats will be located in the best available section at the time. A check or money order made out to the University of Pittsburgh for $1.00 per ticket must accompany all requests.

It will be possible to purchase additional seats adjoining press complimentaries by enclosing a check or money order made out to the University of Pittsburgh, and note it on your request. The prices of these tickets are $4.00 for all games except Army which is $5.00.

PHOTOGRAPHER'S PASSES

Sideline passes for photographers will be issued only to Pittsburgh papers and news services, and to the daily papers normally covering the opposing team. Others will be issued to the student publications of the two schools, but they will be limited by the number issued to those in the first mentioned category.

Photographers may work in front of the bench when the occasion demands, if they keep low, but outline writers must stay behind the line and obey instructions of the officer detailed to the area, who will lift the credentials of any breaking this rule.

Space in the photographers stand is reserved for newspapers in the same manner as field passes, and also for newsreel and game movie cameramen. This space must be requested in advance to insure adequate space.

Field photographers should enter Gate #3. Photographers covering from the stand should use Gate #9.

THE UNIVERSITY OF PITTSBURGH

The University of Pittsburgh is a private, co-educational university located in the heart of Pittsburgh's cultural center, three miles from the business district. Its physical plant contains 37 buildings and covers 106 acres of land, at the center of which is the Cathedral of Learning.

A magnificent Gothic structure of Indiana limestone which towers 535 feet above the streets of the Oakland district, the Cathedral contains classrooms, laboratories, libraries, several of the professional schools, the School of the Liberal Arts, and faculty and administrative offices.

But the outstanding feature of this 42-story building is its 18 International Classrooms, each expressing in material and design the personality of one of the nationalities which has contributed to the building of Pittsburgh.

There are rooms, furnished by Pittsburgh residents, representing England, Sweden, Scotland, Germany, Russia, China, Czechoslovakia, France, Romania, Hungary, Italy, Lithuania, Norway, Poland, Greece, Syria-Lebanon, Yugoslavia and Ireland.

Some of the Rooms are originals, some are recreations, but all were designed by architects from the countries they represent. The classrooms, which exemplify the periods of the highest development of art in these countries, from a time prior to the founding of the United States and of the University, are used daily for teaching in the arts and sciences, but there is no necessary relation between the character of the rooms and the subjects taught in them. The idea is much simpler. It is that youth, preparing for useful lives, shall see concrete evidence of other useful lives, in other times and other lands. In short, the rooms provide an atmosphere for learning.

Altogether, the University has twenty schools and divisions which provide degree programs at the undergraduate, graduate, and professional levels. Enrollment in these various programs numbers 14,223 -- 7383 full-time and 6840 part-time students.

Only 2700 of the University's 9371 undergraduate students, however, are enrolled in the School of Liberal Arts, 900 in engineering and 2264 in the School of General Studies, an evening program designed primarily for the working adult. The rest are distributed among the Schools of Education, Nursing and Pharmacy.

The School of General Studies holds classes for an additional 1000 students each term in its Community Series of Informal Courses and Lectures. These non-credit courses are planned especially for members of the community who desire to keep abreast of the times and continue learning in a university atmosphere without formally seeking a degree.

Within the next few years, enrollment should expand substantially with the establishment of four regional campuses. Johnstown Center, 80 miles from the main campus has been operating since 1928 and now enrolls 877 students.

Students are instructed by the University's 994 full-time faculty members -- of whom 72 per cent are Ph.D.'s -- and by the 450 part-time teachers from the city's business and professional life. The school's administration is handled by the Board of Trustees, the Chancellor, and an administrative staff of vice chancellors, assistant chancellors, deans and directors.

The University also performs many public services through its affiliated research, educational, and administrative centers. It administers an important health center, which provides Western Pennsylvania with 50% of the physicians and surgeons, 90% of the dentists and 40% of the pharmacists, and annually conducts more than $11 million in contract research programs.

Privately operated and non-denominational, the University is supported by income from tuition and fees, income from endowments, gifts for current operations and special programs, and by special appropriations from the Commonwealth of Pennsylvania.

The main library at the University is spread out over five floors and basement of the Cathedral,

In addition, there are 14 departmental libraries located on campus. Combined volumes total 977,858 with an annual increase of 33,000 volumes.

The University is currently involved in a $131 million expansion program which includes a central library, Social Professions Quadrangle, radiation lab, a triple tower dormitory, a fine arts building, and a three-unit gymnasium including an Olympic-sized swimming pool.

What combines these schools, these people, these activities into a single unit is a philosophy of education -- a commitment to excellence.

The University's guiding principle toward this goal is the concept of totality, the conviction that a modern university must be an organic entity if it is to play an effective role in society. As Chancellor Edward H. Litchfield stated in his inaugural address, the University has five major obligations to its students, to the community, to society in general and to higher education: 1) the imparting of knowledge, 2) the discovery of new knowledge, 3) the application of knowledge, 4) the integration of knowledge, and 5) the development of the student as a complete human being.

PREVIEW

John Michelosen is hoping 1963 is the year of the sophomore at Pitt. If it is, the Panthers are going to be more than troublesome this season.

Three sophomore backs -- quarterback Kenny Lucas and halfbacks Eric Crabtree (RH) and Dale Stewart (LH) -- could move the Panthers back into the winner's circle after 3-7 and 5-5 seasons in 1961 and 1962 respectively.

Lucas, on the basis of spring drills, is the most spectacular of the three. If the name sounds familiar, don't be surprised, because the young man is the brother of former Penn State All-America, Richie Lucas.

Already, Pitt coach John Michelosen is dreaming about what might happen if Kenny turns out to be like his brother.

Kenny has a big backer in Bill Kaliden, the former Pitt quarterback, who coaches the Panther freshmen. "Right now he's as good a passer as Richie," Kaliden said. "But we have to work on his running. For a sophomore he has wonderful poise and doesn't panic when he's in the pocket. He has a strong arm and throws accurately too," Kaliden added.

Crabtree is a six-foot, 180-pound speedster from Monessen, Pa., and moves with such speed and grace that he is being primed for a starting spot. Stewart, who came to Pitt from Manlius Prep, also caught the coaches' eye in spring practice and appears to have an excellent collegiate future.

But the question is can these three offset all the losses Pitt suffered through graduation.

The Panthers lost 13 lettermen, including five starters from last year's team. Twenty-seven lettermen return this year, but, as usual, Pitt will be playing one of the nation's toughest schedules.

Michelosen, who has an eight-year record of 41-36-5, has three big problems to overcome -- a weak passing attack, which produced just five touch-

downs last year; the pass defense, which yielded 12 touchdowns; and the overall end play, both offensively and defensively.

Judging from spring practice, the passing attack and defense appear to be much improved but the end play still appears to be a problem which must be worked out in pre-season drills.

Pitt's backfield, on the other hand, must rank with the best in the East and maybe even the nation.

In addition to Lucas, Crabtree and Stewart, Michelosen has left halfback Paul Martha, All-East in 1962, and fullback Rick Leeson, another All-East selection.

Pitt will miss Ed Clark who averaged 5.4 yards per carry last year but Martha, Crabtree and Stewart are expected to make up for the loss. John Ozimek and Bill Bodle are lettermen at right half. Dennis Chillinsky and Ed Billy also have graduated.

Martha, a quarterback as a sophomore and a right half in 1962, is one of the swiftest backs in the East and is always a breakaway threat. Last season he averaged 4.5 yards per carry. Peter Billey, an excellent punter, and Bob Roeder will add depth and experience at left half.

Leeson, who needs 67 yards to become the first Pitt fullback to gain over 1,000 yards since Marshall Goldberg (1936-37-38), picked up 481 yards for a 4.6 average last year.

Backing him up is John Telesky who could probably start for most teams around the country. Lou Slaby, a defensive specialist, and John Chisdak have graduated.

At quarterback, Lucas could be number one, but he'll have to beat out Fred Mazurek who is an excellent runner. Gone are Jim Traficant, a starter for two years, and Sam Colella.

In 49 carries last season, Mazurek picked up 216 yards for a 3.7 average. He had a broken finger, suffered in the Baylor game, so he didn't have that much of an opportunity to show his passing skills.

Backing up Lucas and Mazurek are Fran Novak and Glenn Lehner. Ed Assid and Ken Perry, both sophomores, will see action.

End is where Michelosen expects most of his trouble.

One thing in his favor is the fact that he has all his lettermen back. Al Grigaliunas is the top returnee. He was second in pass receiving last year with nine receptions for 128 yards and one touchdown. Martha was tops with 12 receptions and 246 yards.

John Jenkins could be the other first-stringer although Joe Kuzneski, Gene Sobolewski, Bill Howley and Bob Long all will be in the fight.

Two promising sophomore ends who stand a chance of cracking the lineup are John Verkleeren and Mitch Zalnasky.

At tackle, depth is the big problem. Pitt loses Gary Kaltenbach and Bob Ostrosky but has veterans John Maczuzak and Ernie Borghetti returning. Both Maczuzak and Borghetti are proven collegiate players.

The top freshmen prospects are James Jones, a 6-1, 265-pounder from Easton, Pa., and Tom Raymond, 6-1, 224-pounder, from Centerville, Pa.

Guard was hard hit by graduation. Four lettermen were lost but six return. However, three of the losses, Ralph Conrad, Tom Brown, and John Draksler saw the most action last season. John Price will be missed.

To help ease the problem, Michelosen switched one of his best linemen, tackle Ed Adamchik, to guard. Bob Sorochak, who missed spring practice with a shoulder injury, is expected to see plenty of action along with Jeff Ware, hustling Bernie LaQuinta, Jim Irwin and Ray Popp.

Ware and LaQuinta, a fullback in reality, are excellent defensively as are Irwin, who developed rapidly at the end of the 1962 season, and Popp, who missed all of last season.

Center could be the strongest and deepest position along the line.

Marty Schottenheimer, Chuck Ahlborn and Paul Cercel, who all split the duty last year, return.

Schottenheimer excels on defense, Ahlborn on offense, and Cercel does everything well. Sophomores Fred Hoaglin and Gabe Tamburino will have a hard time breaking in.

Overall, Pitt has the makings for a successful season but a lot will depend on the progress of sophomores Lucas, Crabtree and Stewart. If they can get over the sophomore jitters early, Pitt will be on the way back.

Coach:	Charles "Rip" Engle (Western Maryland) -- 14th season 86-36-4 record
System:	Multiple-T
Nickname:	Nittany Lions

Pitt will be meeting Penn State for the sixty-third time. The Panthers lead in the series, 33-26-3. However, the Nittany Lions have four of the last five games including three straight. The 1958 and 1960 losses to Penn State cost Pitt bids to the Gator Bowl. Penn State has gone to a bowl the last four seasons and won three times.

Penn State had the best team in the East (9-2) last year and maybe one of the best in the country. The Lions lost to Army, 9-6, and to Florida, 17-7, in the Gator Bowl. Penn State killed Navy, 41-7, West Virginia, Holy Cross, and blanked Pitt for the first time since 1954.

Coach Rip Engle will have 19 lettermen returning including tackle Harrison Rosdahl, who played guard the last two years and who will be a definite All-America pre-season pick. Other returning monogram winners include quarterback Pete Liske, end Dick Anderson, center Ralph Baker, who made Pitt's all-opponent team, and halfback Junior Powell. Biggest losses are end Dave Robinson, halfback Roger Kochman, both All-America picks, tackle Chuck Sieminski, guard Joe Blasenstein, and center Joe Galardi.

Top sophomore prospects include guards Ed Stewart and Steve Schreckengaust, halfback Dick Gingrich, and end Don Steinbacher.

ATHLETIC DIRECTOR
FRANK CARVER

Frank Carver, 54, was named Athletic Director of the University of Pittsburgh on December 1, 1959.

The Beaver resident began his association with the University when he enrolled as a freshman in 1927. He was graduated in 1931, after having worked his last two undergraduate years in the position of student assistant in the sports publicity office.

He began as full-time sports publicity director in 1931, and devoted part of his time during the 1930's to work in the University News Service.

In December of 1941, a few days before Pearl Harbor, Carver took over as head of the physical education and the intramural program at the University, and later doubled as an instructor in physical education.

Early in 1943, when the Air Force began to send air cadets to Pitt, Carver was placed in charge of their physical education training program. That same year Carver himself entered the service as a member of the Air Transport Command.

After being discharged from the service at the end of 1945, he returned to the athletic department and also served in the office of the dean of men.

When Athletic Director James Hagan left the University in June of 1948, Carver was appointed acting director of athletics and served in that position until Captain Tom Hamilton arrived in February of 1949.

Carver was appointed graduate manager of athletics in 1949.

When Hamilton resigned in the summer of 1959, Carver again was appointed acting athletic director. Although he never wanted the job, it finally caught up with him a few months later.

HEAD COACH
JOHN P. MICHELOSEN

John Michelosen, 47, who took over the head job at Pitt after the 1954 season, came to Pitt from Ambridge High School, where he played under Moe Rubenstein, in 1934.

He moved into the varsity quarterback position in 1935 as a sophomore and retained his job for three years, operating as the blocking back and field general on offense and as a linebacker on defense.

He captained the 1937 team, and in his three years on the varsity the Panthers lost only two games, were in four scoreless ties, and defeated Washington, 21-0, in the Rose Bowl on January 1, 1937.

He was an assistant backfield coach at his alma mater in 1938, and moved to Brooklyn in the National League as backfield coach to Jock Sutherland in 1940 and 1941.

He entered the Navy in 1942, serving at Iowa Pre-Flight under Bernie Bierman that year, then going with the Atlantic Fleet from 1943 until mid-1945. With the shooting over he was assigned to Corpus Christi, where he served as football coach along with Johnny Vaught. He returned to Pittsburgh as assistant coach of the Pittsburgh Steelers in 1946. When Sutherland died in 1948, Michelosen took over as the youngest head coach in the league.

He rejoined the Pitt staff under Red Dawson in 1952.

He is married and has three children, two boys and a girl.

In the first two seasons as head coach, Michelosen guided Pitt to two bowls and one Eastern championship. His eight year record is 41-36-5. Ten of these defeats were to teams which finished in the Top Ten including two defeats in bowl games. Two teams were named number one by the Football Writers of America.

J. CLYDE BARTON

(Assistant to Athletic Director)

J. Clyde Barton, a graduate of the University of Pittsburgh, joined the athletic department in 1960 after being Alumni Secretary since 1945.

During the last year, Barton has assisted Athletic Director Frank Carver in reorganizing the Lettermen's Club. He also has worked in promoting ticket sales to Pitt athletic events.

He was graduated in 1926 and was the recipient of the George Wharton Pepper Prize. He received his Masters of Letters in 1938.

Barton is married and has one boy.

ASSISTANT COACHES

LOUIS "BIMBO" CECCONI

(Offensive Backs)

Louis "Bimbo" Cecconi came to Pitt from Donora High School in 1946 to become one of the school's greatest players.

In his four years at Pitt he played both quarterback in the winged-T and left half in the single wing, both completely to the satisfaction of his two coaches, Wes Fesler and Mike Milligan.

Weighing less than 160 pounds and standing only five-nine, Cecconi became one of the smartest quarterbacks and most dangerous runners and passers in Pitt history. From the moment that he took over the team in its opener in 1946 and passed and ran the Panthers to a halftime tie with Illinois' Rose Bowl champions in his first college game, he captured the imagination of the crowd and the respect of his teammates.

He specialized in coming up with the key play, a long punt return, an interception, a last second TD pass, the clutch run for big yardage when apparently trapped.

Despite his size he made his mark with the basketball team as well, being a letterman for four years.

Upon his graduation in 1950 he was assistant coach at Donora High School for one year, then entered service. He spent one of his two years with the Infantry in Germany, then came home to take the head coaching job at Sharpsburg.

Prior to Cecconi's arrival, Sharpsburg had won only ten games in seven years. He won six his first season, and his overall record was 27 wins against 12 losses, and 6 ties.

He was as successful in basketball, taking his team to the Class B playoffs in 1954 and 1958. He came to Pitt in the summer of 1958.

In 1956 he received his Masters Degree from Pitt; is married, and has five children, four girls and one boy.

WALTER CUMMINS

(Assistant to Athletic Director)
(Centers)

Walter Cummins played his high school ball at Greensburg and entered the University in 1942, playing on the freshman team that year.

Before he had a chance to move on to the varsity, he entered the service and served in the Army for three years before returning to the University.

He was a regular for three years, playing end under Wes Fesler in 1946, and then was an end and defensive center for Mike Milligan in 1947 and 1948.

He worked for his Masters degree in 1950-51, and then joined the staff as assistant freshman coach and assistant to the Director of Athletics in 1952.

He helps with the freshman team.

He is married and has two daughters.

CARL DePASQUA

(Defensive Backs)

Carl DePasqua was a great back for Pitt from 1946 through 1949, playing in two different systems, the T and the Single-Wing under Coaches Wes Fesler (1946) and Mike Milligan.

Coming to Pitt as an All-State selection, he was a starting quarterback as a freshman, a halfback as a sophomore, and then a fullback on two winning teams as a junior and senior, all this while weighing 175 pounds.

He served in the Army during 1950 and 1951, playing for the Brooke Army Medical Center at Fort Sam Houston, this outfit going to the Cigar Bowl in 1951.

He returned to Pitt to work off credits for his masters degree in 1952, and was freshmen backfield coach during this period as a graduate assistant.

He went to Sarnia in the Ontario Rugby Union in 1955, as backfield coach, and then entered in business in Pittsburgh, rejoining the Pitt staff in the summer of 1958.

He is married and has one daughter.

BILL KALIDEN

(Freshman Coach)

Bill Kaliden was a quarterback on the 1956-57-58 Pitt teams. He lettered twice and won one letter in baseball.

He came to Pitt from Homestead High where he was an outstanding athlete and an excellent student. He played little in 1956 but started to come into his own in 1957. However, in 1958, he had his greatest year. He scored two touchdowns against Minnesota to lead the Panthers to their first win over the Gophers. Yet, his brightest moment was against Notre Dame when he scored the winning touchdown on end sweep with just 11 seconds remaining.

As a center fielder on the baseball team in 1959, he was a big reason the Panthers were in the district NCAA playoffs.

Kaliden graduated with high honors in 1959 and was a member of Phi Beta Kappa. He attended dental school but then withdrew. He wanted to become a coach. After six months in the Army, Kaliden returned to Pitt in 1960 to begin work on his M.A. in Education. He received his M.A. this last summer. He assisted Bimbo Cecconi with the freshman team. He was named head freshman coach this past winter.

Kaliden resides with his parents in Homestead.

STEVE PETRO

(Guards)

Steve Petro came to Pitt from Johnstown High School, and played three years as a regular guard from 1936 through 1938.

A volunteer helper during spring drills in 1950, when Len Casanova took over as head coach, he was made Junior Varsity Coach that fall, and then served as assistant line coach with the varsity in 1951.

After graduation he played two years of professional football for Brooklyn, while working for Bethlehem Steel Corp. He entered the service in 1942, serving first with the Air Forces and then in Intelligence. He played football in the service.

Upon his return he went back to the steel industry and stayed out of football until the spring of 1950 when he decided to get his certification in teaching.

He was freshman coach from 1954-1957 and handled the guards in the spring drills. He moved to the varsity staff in 1958.

He is married and has four daughters and one boy.

ERNIE HEFFERLE

(Ends)

Ernie Hefferle returned to Pitt last year after a three-year absence. During that time he coached the pro Washington Redskins and Boston College for two years. Prior to those years he had been with Pitt since 1951.

Hefferle, a native of Herminie, played his college football at Duquesne, where he caught a long pass that won the Orange Bowl game from Mississippi State in 1937.

He coached at South Huntingdon Township from 1937 through 1940, where his teams won 25, lost 10, and tied 4.

He took a three year leave of absence in 1942 to serve in the Navy, coming out as a Lieutenant. Then he coached at Tarentum from 1946 through 1950.

He has a masters degree from Pitt, and is past president of the Western Pennsylvania Football Coaches Association.

A SHORT RESUME OF PITT FOOTBALL

Pitt football began when the University was known as the Western University of Pennsylvania in 1890, but the Panthers did not begin their march into the front line powers for another decade.

In 1904 the Western University of Pennsylvania eleven, had its first winning streak. Sparking this team was Joe Thompson, World War I fame.

He took over as coach after his graduation, and in 1910 turned out an undefeated, untied, and unscored on eleven.

In 1914 under Joe Duff, brother of the former U. S. Senator, the Panthers prepared for the event of Pop Warner, by losing only one game.

Not until mid-1919 did the Blue and Gold bow in intercollegiate competition. Thirty-two consecutive victories were recorded.

The 1916 Pitt team turned up with an innovation, for which millions of football fans have since given thanks. In addition to being undefeated, the Panthers, under Warner, were the first to wear numbers.

During this period the first All-America appeared. Bob Peck in 1915 and 1916, and rated as one of the great All-Time All-Americas at center, Tom Davies, at halfback and Leonard Hilty at tackle in 1918 were some of the stars of the era.

Famous then, and more famous later, players were a big Scotch guard by the name of Jock Sutherland; the 1917 captain and end, now Dr. H. C. Carlson, for 31 years head coach of basketball at his alma mater; and Tiny Thornhill, who went on to coach Stanford's Rose Bowl teams.

Perfect seasons were out after 1919, but they still were winning years. Herb Stein, a center, joined the list of All-Americas, and Harvey Harmon played a lot of tackle.

In 1924, Jock Sutherland began a 15 year regime, which started slowly but ended with the Panthers ensconced among the mighty.

Only 20 games were lost during this period, and another 11 were tied. Eastern titles came in 1925,

1927, 1929, 1931, 1932, 1934 and 1937. Four times the Panthers showed in the Rose Bowl, winning the final game in 1937 against Washington.

All-Americas during the period were Ralph Chase in 1925 at tackle, Gibby Welch at halfback in 1927, Mike Getto at tackle in 1928, Ray Montgomery at guard and Joe Donchess at end in 1929, Jess Quatse at tackle in 1931, Warren Heller at halfback in 1932, Joe Skladany at end in 1933, Doc Hartwig at guard and George Shotwell at center in 1934, Averell Daniell at tackle in 1936, Marshall Goldberg at halfback and Tony Matisi at tackle in 1937, and Goldberg and Bill Daddio at end in 1938.

On the All-America rolls since Sutherland were Ralph Fife in 1941, Bernie Barkouskie, in 1949, and Joe Schmidt, in 1952,, all guards; Eldred Kraemer, a tackle in 1952, Joe Walton, a unanimous choice at end in 1956, guard John Guzik in 1958 and end Mike Ditka in 1960.

Sutherland left in 1933 and the Pitt power fell off for the next ten years. Charley Bowser was succeeded by ClarkShaughnessy who held sway during World War II. Wes Fesler brightened the picture in 1946; and was followed by Mike Milligan who turned in the first winning teams of a decade in both 1943 and 1949.

When Milligan resigned in 1950, Len Casanova came in to take over for that year, but left the following summer. In 1951 Athletic Director Tom Hamilton took over as head coach, and then in January of 1952 Lowell Dawson was named.

Dawson won six including Notre Dame, Army, Ohio, Indiana and Iowa among the victims, and lost three.

In 1954 ill health caused him to give up football coaching in mid-season, and Tom Hamilton took over as head coach and put the team on a winning basis.

After the season he stepped down to turn the team over to Johnny Michelosen.

A 7-3 record, featuring decisive upset wins over Duke at Durham and over West Virginia before a capacity crowd in Pittsburgh, brought a Sugar Bowl invitation, and a close defeat by Georgia Tech at New Orleans that didn't hurt the Panthers' national ranking.

The Panthers went to the Gator Bowl in 1956, after a 7-2-1 season, and again lost to Georgia Tech 21-14.

In 1957, Pitt was 4-6, in 1958, 5-4-1, in 1959 finished with a 6-4 record and had a 4-3-3 record in 1960.

In 1961, Pitt was 3-7, the most disastrous record since 1951. Last year, the record was 5-5.

PITT HALL OF FAME AWARDEES

Thus far the University of Pittsburgh has had two players and one coach elected to the National Football Hall of Fame. Jock Sutherland, a great guard from 1914 through 1917, and Pitt's brilliantly successful coach from 1924 through 1938. He was elected in 1953 among the first coaches named.

In 1954 Bob Peck, Pitt's first All-America (center in 1915 and 1916), was elected as the first Pitt player to have his name placed on the honor roll.

Just recently, Marshall Goldberg, an All-America halfback in 1937, and an All-America fullback in 1938, was elected.

JOCK SUTHERLAND

Dr. John Bain (Jock) Sutherland was a great player and coach at Pitt.

Entering Pitt within a few years after he left his native Scotland he was a regular guard on the great Pitt teams of 1914-1917, teams that lost but one game during the entire period.

Upon graduation, with a dental degree in 1918, he went into the service, coached the Camp Greenleaf Team with the AEF, then came back to the coaching job at Lafayette.

Four years later, in 1924, he replaced Pop Warner at Pitt, and after getting the foundation laid, put the Panthers back into the first line again.

There were national titles in 1927, 1929, and 1937; eastern honors in 1925, 1927, 1929, 1931, 1932, 1934, 1936, and 1937. Rose Bowl appearances in 1928, 1930 and 1933, climaxed with a win in 1937.

All-Americas were turned out with regularity during this period.

Leaving Pitt in 1939, he coached Brooklyn in 1940 and 1941, then went into the Navy. Upon his return he took over the Pittsburgh Steelers, giving them their greatest days, until his very sudden death in the spring of 1948.

BOB PECK

Bob Peck was Pitt's initial first team All-America, being selected by Walter Camp in 1915 and 1916. In both of these years Pitt was undefeated, and in his sophomore year, 1914, the Panthers lost only one game.

He was captain of the 1916 Pitt team that is rated among the greatest of all time, both at Pitt and in the nation.

Playing under Pop Warner, Pitt's coach during his last two years, he was a terrific roving center of the old variety, and an accurate passing center who could load the speedy Pitt backs on the famous single and double wing attack which Warner was then perfecting.

After his graduation he moved to Culver Military Academy where he was athletic director and head coach until his sudden death in 1934.

MARSHALL GOLDBERG

Marshall Goldberg came to Pitt from Elkins, West Virginia, and for the three years of his varsity career was the most highly publicized and popular back in Pitt history. These three years, coincidental with Jock Sutherland's last three as Pitt's head coach, saw the Panthers win a national title, a Rose Bowl game, and two eastern championships.

In two years as the regular left halfback Goldberg was the leading scorer and leading ground gainer, and then, moving to fullback with the famous Dream Backfield of 1938, he became a terrific blocker and power back, despite his relative lack of weight (185).

He was a defensive expert during his three years and starred at this phase when he went into pro ball.

On campus he was a member of Phi Epsilon Pi, national social fraternity, and O D K, national honorary leadership society.

Upon graduation he played pro ball and was in the insurance business in Chicago, served nearly four years as a line officer in the navy, and then finished his pro career with the Chicago Cardinals when they won their first title.

He is vice president of the Emmerman Machinery Company in Chicago.

PITT ALL-TIME RECORDS

Individual figures are compiled from official statistical records of each game from 1931 through 1961. Before 1931 they are taken from play by play accounts of game. Team records begin with the 1904 season. Naturally they cannot be 100 percent accurate, but they can stand until someone comes up with a better way.

THE UNIVERSITY OF PITTSBURGH
PIECE VARSITY MARCHING BAND

The University of Pittsburgh Varsity Marching Band is composed of undergraduate men of the various schools of the University. Since the University curriculum offers no program for the preparation of professional instrumental musicians, all who participate in the band will someday be doctors, lawyers, engineers, dentists, teachers, etc. No member of the band is compensated in any way for his efforts in its behalf. The bandsmen work untiringly for the friendship, companionship, and enjoyment that come from being a part of a great band.

Under Robert L. Arthur, Director of University Bands, with the assistance of Dr. Jack B. Anderson and Ben E. Benack, the band has reached its present level of excellence and has become one of the outstanding collegiate bands in the nation. In its pregame, half-time, and post-game shows, emphasis is placed upon a big solid musical sound, precision stepping, motivated formations, swinging instruments, and all the sparkle that can be attained at the modern cadence of 160 steps per minute.

The matched gold instruments, blue and gold uniforms with white cross belts, white spats and gloves combined, create an appearance of beauty and uniformity.

In addition to the bandsmen who perform on the field, there are others who attend to a host of duties. A graduate staff of five attend to administrative details while an undergraduate operations staff of six handle all equipment and properties, and the loading and unloading on trips. With this help the band moves with a minimum of confusion.

Prior to the beginning of the fall trimester the bandsmen, directors, drum majors and operations crew move into camp forty miles north of Pittsburgh, near Zelienople, for ten days of intensive training. Fourteen hours a day are spent drilling, learning field formations, practicing music and in plain hard work. The group of men who arrive at camp as individuals return to perform for the season

as an integrated, disciplined marching band. With a two hour practice and drill period on Tuesday and Thursday evenings, and Saturday morning, the band is prepared to present itself in a manner which is "worth watching".

Ladies and Gentlemen: Presenting the University of Pittsburgh Varsity Marching Band!

THESE PANTHERS RAMBLED

Here are the top Pitt ground gainers and scorers since 1914. They traveled far in picking yards from scrimmage, passing, kick returns, and interceptions, and they put a lot of markers on the Pitt side of the scoreboard.

PITT BASKETBALL

Pitt's basketball team will play a twenty-four game schedule this winter. Twelve games will be played at home.

The Panthers will meet Penn State, West Virginia, Westminster, Syracuse, and Carnegie Tech twice.

The schedule includes one NIT team, Fordham, and one NCAA quintet, West Virginia. There is a possibility that the Panthers might play two other teams which participated in the 1963 NCAA Tournament. Illinois, UCLA, and NYU, all entered in the Los Angeles Classic, played in the NCAA Tournament last March.

The Steel Bowl, won last year by Pitt, includes Duquesne, Westminster, and George Washington. In the Los Angeles Classic, Pitt will meet USC in the first round. Other teams entered are West Virginia, Michigan, Yale, UCLA, NYU, and Illinois.

Coach Bob Timmons will be starting his eleventh year as head coach at his alma mater. He has a 132-114 record and has guided the Panthers to NCAA Tournaments in 1957, 1958, and 1963.

Last year, Pitt finished with a 19-6 record for the school's best year since 1933-34. The biggest wins were over Duquesne in the finals of the Steel Bowl, West Virginia for the first time since the 1955-56 campaign, and Penn State twice.
